The new membership year is coming upon us fast. Renewal forms have been mailed out. If we missed you either contact the office or you can print your own from our website [www.bwsa.club](http://www.bwsa.club). You have until July 31, 2017 to mail the renewal form along with payment to the office to not have a break in your membership. Remember to keep your RDIF gate card as it will continue to remain active as long as your membership is current. BWSA requires you to keep your membership cards on you at all times while on the grounds. We will be doing spot checks to verify only members and paid guests are using the ranges.

Combat News

On July 6<sup>th</sup> from 6:30 pm till done we will be having a 3 Gun practice on Bay 5. Cost is \$10 if you come help set up and clean up. \$20 if you just shoot and leave. We will be doing some basic drills then shoot 1 stage. This is an ideal opportunity for a new shooter just getting into 3 Gun shooting to be able to get some practice with their firearms and equipment before attending our monthly matches. You must have a

proper retention holster for your pistol, no cloth style holsters will be allowed. We will also practice on August 3 and September 7.

Our next 3 Gun match is July 8. Start time for these matches are 9:00 am registration begins at 8:00 am. There is no food or water provided, please bring your own.

We are now doing registration only for these events and will be using “practice scores” to do this. If you are not on the 3 Gun mailing list send your email to Tom at: [tom\\_b\\_48471@yahoo.com](mailto:tom_b_48471@yahoo.com)

Registration will open on the Sunday 2 weeks prior to the match, so for example July’s match the registration will open Sunday, June 25. If you sign up and do not show, you will be put on a waiting list for the next match unless you cancel 48 hours in advance. There will be no unregistered walk ins allowed. If you have any questions feel free to contact me at (519) 336-1690 or at [codeeagle@hotmail.com](mailto:codeeagle@hotmail.com) Looking forward to shooting with you David

## Bullseye

By the time you read this we will be turning 10 targets at a time! This means more room on the line for our regular Wednesday evening practice for the 1<sup>st</sup> relay and added opportunities to try out other handgun sports such as Olympic Rapid Fire afterwards. Our first outdoor NRA 1800 was on June 21 with Ed Allbaugh winning the 1800 Rimfire match and Don Morgan winning the Centerfire match. Our next big event will be August 12<sup>th</sup> and 13<sup>th</sup>. As always practice on Wednesday evenings starting at 6:30 pm. All you need to start is a .22 lr that you can shoot with one hand. Come on out to Bay 5 and give it a try! For more information email [dmorgan66@hotmail.com](mailto:dmorgan66@hotmail.com) or call (810) 841-4970.

## Guest Policy

Please review the BWSA guest policy and follow it! Do **NOT** lend your card to someone else. Remember to have all guests sign the envelope provided at the East Gate along with full payment. We have had a couple of members not following the rules get caught by our Range Personnel using a friend or family member’s gate card or not signing in guests. One case resulted in the Board of Directors not accepting the member’s renewal or their family’s application. We take such things seriously as it affects our insurance, Law Enforcement relationship, and member services. If you have any questions please email [bwsacrso@gmail.com](mailto:bwsacrso@gmail.com) or call Don Morgan (810) 841-4970.

## Hunter's Education Class

We had a great Michigan Hunter's Education Class on June 3 and 4. We had 34 graduates learning everything from First Aid to Marksmanship. We have a unique class as it has little to no lecture time, other than from Michigan DNR Officer Ben Lasher. The class consists of workshops such as orienteering, knife sharpening, trapping safety, tree stand safety, rifle and shotgun shooting, archery, and many others. We do limit our class size to 40 students and charge \$10.00 for registration, so don't miss our next class! The next one will be September 30<sup>th</sup> and October 1<sup>st</sup> with sign up at the BWSA clubhouse 2 weeks prior to the class. Please contact Barry Priestman (810) 278-4248.

## Artillery

The Artillery Division and the ACWSA would like to invite you to come out and watch some live fire artillery at our Brian Haack Memorial Artillery Match. This year's match will consist of 2 events. The first will be the Mortar Match, each mortar will fire 7 shots at a stake out at 150 yards. 5 of the

rounds will count for score. The second will be the Artillery Match, each cannon will fire 12 shots and 10 of the shots will be for score. There will probably be 2-3 relays of artillery.

Bring a chair and a scope and watch the big guns have some fun. If you have any questions you can give me a call Mike Zandarski (586) 739-6499.

## Mortar Relay

9:30 am – 10:30 am

First Artillery Relay

11:30 am – 12:30pm

Second Artillery Relay

1:00 pm – 2:00 pm

Additional relays if needed

Times are approximate

## Muzzleloader

It's a little late to join our muzzleloader leagues, but you are welcome to shoot with us any week. If you like the privacy of shooting on your own range, we have many separate ranges in back. With your membership card, you can use any range that is open, just bring your own targets and clean up the range after you're done. With the set-up that BWSA has, you can shoot pistol, high powered rifle, shotgun

slugs, or any type muzzleloader. Bring your family with you or shoot by yourself. You will enjoy your time spent shooting. If you ever need help or tips about muzzleloaders, see Ron on Tuesday evenings. If I can't help you, one of my fellow muzzleloader shooters will be glad to help. A lot of us have a lot of experience and we are glad to help. See you on Tuesday.

Ron
